Young master,

You know the situation in the town, don't you?
There is a risk of encountering some vicious beast.

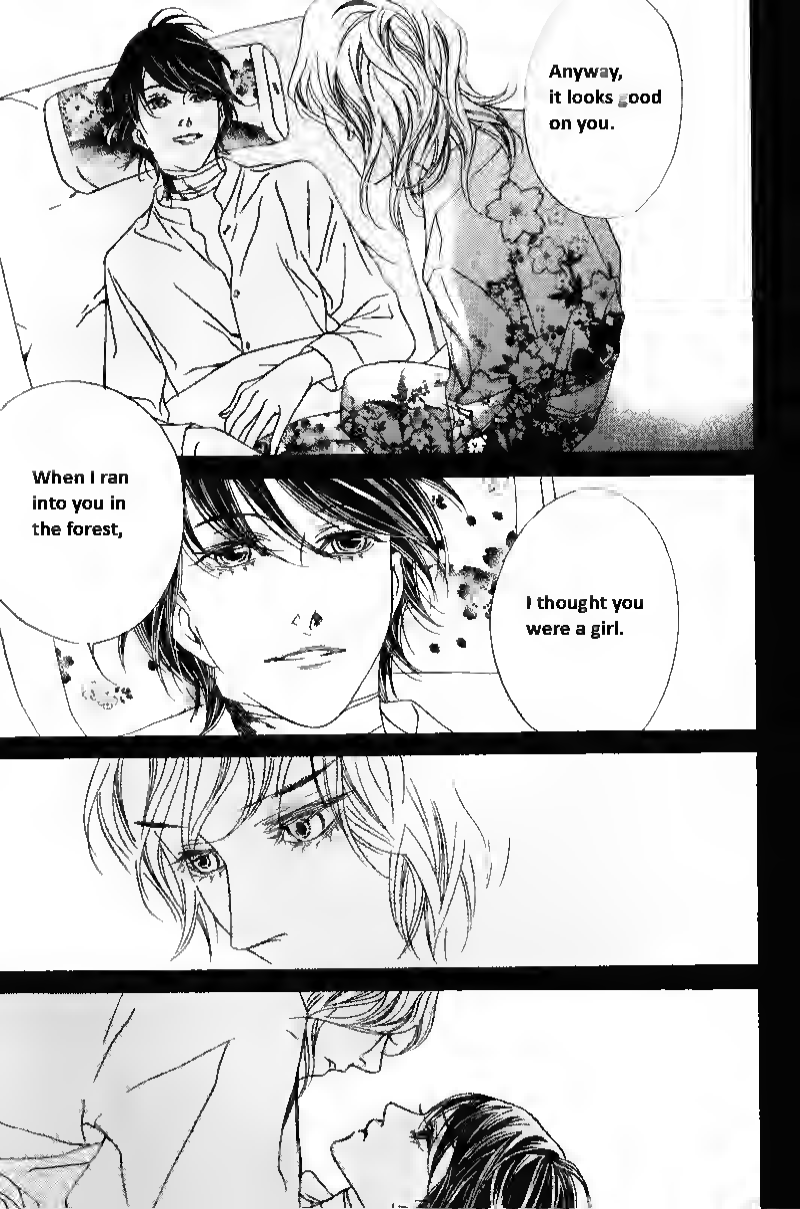
I only bit you slightly for a short moment.
How did it come to this?

So, it was really you.
Gossips in the town say there have been
Numerous cases of domestic animals found dead without any blood in them.
Were those your deeds ?
.....

No blood in them ...
Because you drank ?
Yes.
Interesting.
This is not fault.
Which bleed long.

Your wounds... won't stop bleeding?
Well ...
In such a case, I will die.
What will happen if it doesn't stop bleeding?

By the way, your hair...
Were you born with it ?
No ...
It used to be black...
But at one point of my life, I went through the Hell.
Since then, it turned white.



Anyway, it looks good on you.
When I ran into you in the forest,
I thought you were a girl.

Haha ...
What did you do that for ?

Do you...
Want to be my friend ?

I thought he might need a blood transfusion again.
I didn't think his wound would heal up this soon.
What would be the cause?
Honestly, I have no idea at all
But it's good news.
Yes, of course...
Young master, your meal is ready.
SOON
Young master ?!

What's wrong ?!
Are you feeling ill again?

The news were saying it was as if a beast killed him.

Don't be ridiculous. It couldn't have been him.
I met him yesterday.
A human couldn't have done that, could it?
A blast, they said.
What beast? In our country? No way.
An animal could have escaped from a zoo.
The police said they saw someone running away from the scene !

Whoever it was, it appeared to be similar age as us !
We were told that you were quite close to him. Do you have any leads?

Why he is staying here
He made me like this ?
What are you talking about ...
I see.
That explains pretty much everything.
And why he made you like this.

I guess he hasn't told you anything yet.
Even worse.
You don't even know what you are.
It looks like the urge has just begun.
You feel thirsty, but no matter what you drink, you just can't stop feeling thirsty.
You feel as if you are going to die at any moment.

It won't taste good, but it will stop the urge for a short while.
Drink it now.

In my case, my first targets were those I resented.
I did not feel any guilt and it was easy.
From now on, you must hunt humans -
In order to prevent the urge and the thirstiness.

So ?
Do you have any humans that you want to hunt ?
Yes, I do !

After that incident, the boy ...
Never returned to his home town.
You and Ryun share a lot of similiarities.
When I see you, I remind Ryun.
Both of you were among few I've had feelings outside of my family.
Which was why I could not leave Ryun after him causing me to kill my own family.

Eun-Joo.
I think it is time for me to leave you for good.
Once he knows I am gone,
Ryun won't harass you and your daughter any longer.
I did leave you once before. I will not come back this time.
So, Eun-Joo...
Farewell ...

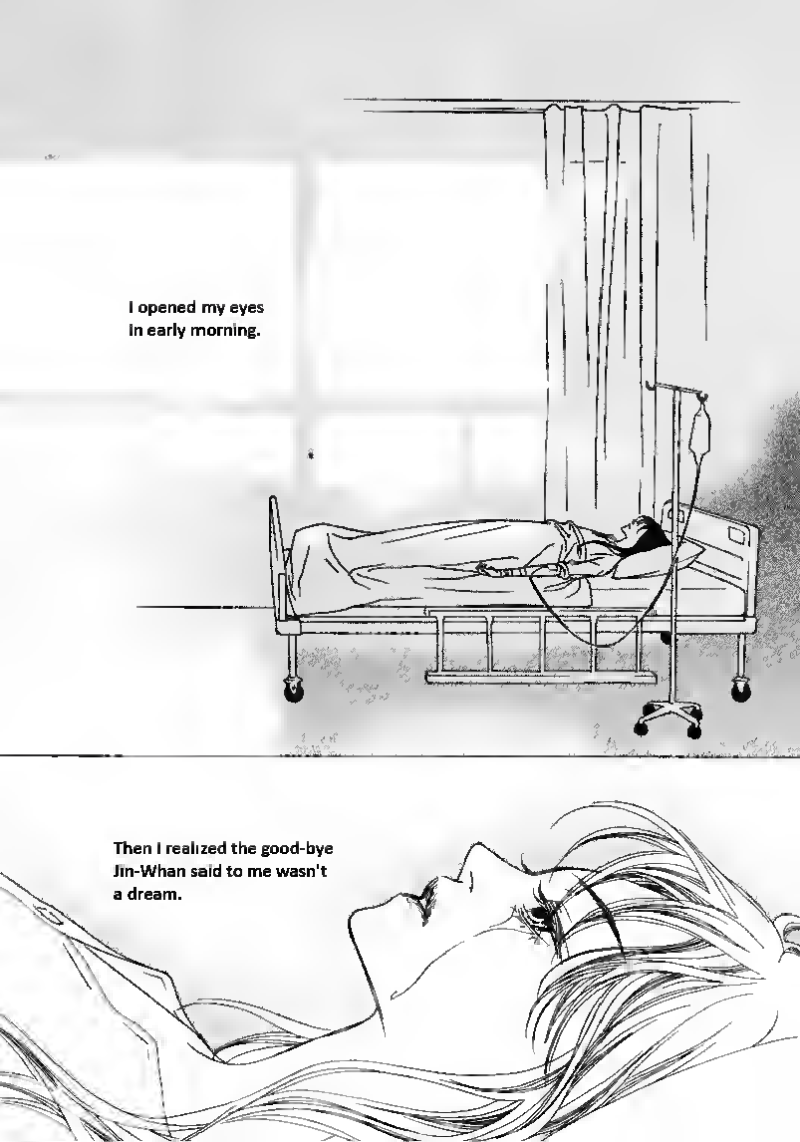
지금까지 이야기

재진을 살해한 범인은 거리를 헤매다 은조의 집으로 간다. 범인가 아무도 없는 곳에서 홀로 두려워하던 모습이 집으로 찾아오고, 룸은 범인가 은조의 달빛을 알게 된다. 룸은 혼란스러워하는 범인에게 자신의 지를 주어, 새로 생긴 힘을 시험할 것을 부추긴다. 한편 진희은 범인이 입힌 은조를 찾아가 은조의 결을 떠날 것임을 암린다



I opened my eyes
In early morning.
Then I realized the good-bye
Jin-Whan said to me wasn't
a dream.

He really ...
did leave me for good ...

Stand up.
What ?
Now !

What's this about?!
Don't you know that you are wanted by the police?
The police?
Te-Min..., he got hurt
He said it was you who hurt him to the police.

Whether you did that or not, it can not be good news for you, no?
Isn't that right ?
You shouldn't stay at Teacher Eun-Jo's place also.
The police will search her place first after all.

If you don't have anywhere to go, you can stay at mine
It will be just me at home for a while, you see.

What do you think you are doing ?!

They also said -
They suspect someone of our age did it.

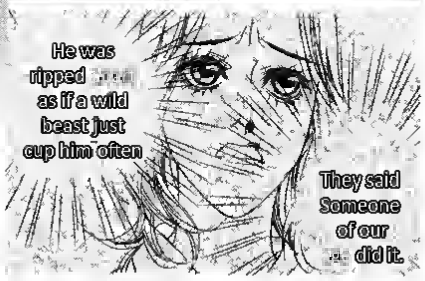
I know it wasn't you.
But I do think you may know who did it.
If it was you,
You wouldn't have let me go the first time we ran across.
Right ?
I am sorry, but you are wrong.
I don't have any idea who would have done it.
I think the next target may be me !

I can't explain logically.
But I just feel like I am next.
Please !
I am so scared!
Just for tonight ! Please !
Damn -



Just a coincidence ?

Of course.
Hello.
We meet again.

So ...
What brings you here again ?
2 days ago,
We found a bag with body pieces from a small lake 20km from here.
The pieces were badly decayed and was impossible to identify.
So, we performed DNA test on them.
The result came in,
And it matched a missing person's DNA.
Can you guess who it might be ?

It was the woman who worked here as a cleaning lady.
And it happened so that you were on cctv around time she was reported missing,
Leaving your place carrying a big bag at night.
Can you tell me where you went on that night ?
I went to photograph ...
photograph ?

Yes, for photograph hobbyists, we leave at night or dawn most of time.
The reason I had a big bag with me was probably because I had lots of equipment.
If you still find that hard to believe, I can refer you to the club I am in.
Ask them. They will say the same.
We will ask them in due time.
To the police station ... ?
Why ...
Because -
But for the time being, we ask you to come with us.
You are the prime suspect.
